RE: Request for Per Diem Information for Members of the Arkansas Senate and House

Dear Mr. Norman,

I am contacting you on behalf of The Independent Citizen's Commission. The Commission met August 25th to begin its annual review of salaries of elected constitutional officers of the executive department, justices, and judges.

One of the Commission's responsibilities is to oversee "the amounts to be paid to members of the General Assembly for: Per diem, Reimbursement for expenses, and Reimbursement for mileage." The Commission is requesting an expense breakdown paid through your Department for Members of the Senate and the House for the first six months of 2021.

Best Regards,
