RE: Request for Per Diem Information for Members of the Arkansas Senate

Dear Ms. Cornwell,

Thank you for your prompt response to the Commission's request for Per Diem information from your office.

Mr. Ragland brought it to my attention that Representatives and Senators' per diem reimbursements come from more than one entity. In response, the Commission is requesting additional expense information for members of the Senate for the first six months of 2021 from the Bureau of Legislative Research and Bureau of Legislative Audit.

Given the fact that it is a holiday weekend, I would not expect you to be able to turn in around in the short time period you did and before our September 8th meeting.

Best Regards,
